

Activities News *Havasu RV Resort's Fun & Games*

JANUARY 2017

Activities Committee Report

Wow, wasn't December a fun filled month? Every week had an event in it and if you haven't gotten your fill of cookies and desserts yet you must have a hollow leg. I would like to thank all the excellent cooks and bakers in this resort. We couldn't have Christmas without you.

This month I found an excellent secretary, so our Activities Board is complete. Thank you Doreen Nicoli for volunteering for this position. I would also like to thank Karin Owens for stepping in when we were without a secretary and doing a dynamite job. Taking on the two calendars plus all secretarial duties made for a busy fall for her. Thank you both.

I have been hearing that some of the renters have the impression that they cannot join in the activities and events in this resort. This is totally not true. If you are residing in the resort, whether a renter or an owner, you may attend all activities or events that are going on. **You are welcome at all times.** We would also encourage you to attend the Activities Meetings, which are held on the first and third Thursday of each month, at 10:30, in the Club House. Your ideas and excitement are what continue to make our resort a five star destination.

We are looking for someone that would be willing to co-host a St. Patrick's Day party. This would be a good time for someone who has never hosted an event to get to know how really easy it is. Contact any Activities Board member if you are interested or see Sandy on Lot 180.

Now as the new year opens it's doors may you find peace as you travel through 2017.

Sandy Griswold, Lot 180

Volunteers Needed to Crochet/Knit

Do you like to Knit or Crochet? If so, I'd like to introduce you to Bridget's Cradles. It is a non-profit organization run entirely by volunteers such as yourself!

In a nutshell, Bridget's Cradles™ provides hand-made knitted and crocheted cradles to hospitals to offer to families whose babies were born into Heaven in the second trimester of pregnancy. Because babies are so small in weeks 14-26 of pregnancy, traditional blankets do not meet their needs. Bridget's Cradles™ are soft and shaped to bundle the baby in love and designed for families to feel comfortable while holding and bonding with their baby. Cradles can also be used for burial as they provide a nurturing womb-like environment for the baby.

You can visit the website at www.bridgetscradles.com for additional information or details. I would like to hold a meeting on JANUARY 19, 2017 AT 11:00 AM in AC for those interested to show you a finished project and answer any of your questions.

Vickie Hancock, Lot 247

Donations Needed for High School Kids

High school kids are required to wear a uniform which is a tee shirt or a sweatshirt. If they wear a jacket, it has to be a uniform jacket. The sweatshirts are \$25, the jackets are \$30. Homeless kids are provided these coats, but poverty level kids that have a home are not. If you are interested in donating, please contact Coco on lot 251

Comedy hypnosis and demonstrations of real magic

Tickets on sale for \$15.00 per person beginning

Tuesday, December 20, 2016 at the Clubhouse from 2:00 - 4:00 PM

Thank You, Thank You!

A big thank you to all who participated in our toy/food drive. Two pick up trucks were full of food that went to the local food bank and a trailer full of toys went to the Arizona Children's Association. The organizations were very appreciative and the people at the ACA said we made a lot of children, who are at their lowest point in life right now, very happy.

Also, thanks to all who contributed to our ongoing fundraiser for uniform jackets for teens in the Lake Havasu Unified School District. These kids are not homeless but at the poverty level and cannot afford the required jackets so they go without.

What a true blessing all of you are!
