**FEBRUARY 2017**

### **Activities Committee Report**

This season has seen an increase in the number of activities and events. I thank all of you for stepping up and adding your talents to our resort. If you have not been around during different times of the day here is a rundown of where everyone is. The Activity Center is used every morning five days a week, in the afternoon Sunday, Tuesday, Wednesday and Thursday and in the evening Monday, Tuesday, Wednesday, Thursday and every other Friday. The Club House is used in the morning Monday, in the afternoon Monday and Wednesday, and in the evening Monday and Thursday. The Club House pool is used every morning five days a week. The bocce ball courts are used in the morning Tuesday and Thursday, and in the afternoon Saturday. The horseshoe courts are used Monday and Friday mornings, and Saturday afternoon. I would like to thank all the host/hostesses that have communicated, worked and been flexible with each other to make each activity fun for all participants. I know there have been some difficult times, but your true personalities have shown through as you worked with each other.

Questions have been asked as to where information can be found, so I would like to quickly review where to find your answer. The white boards are giving you information for that particular week. They include which tickets are being sold on Ticket Tuesday, with the cost, any meetings going on and where they are being held, any new activities coming up and any events being held. If you would like detailed information on any activity or event, go to the bulletin boards. The bulletin board on the left is for activities going on or activities coming up. The bulletin board on the right is for events coming up. There are white boards and bulletin boards in the Club House and Activity Center. They have the same information. If an event or activity says you must sign up, then you must go to the Club House. The sign up book is a three ring binder on the corner table. It is labeled Activity Book. You can also pick up a copy of the monthly newsletter, event calendar and list of activities from the tray on this table. If you are looking for information or wish to post information of events in Lake Havasu City, there are bulletin boards in the hallway of each building. The bulletin board in the Activity Center is in the hallway going to the exercise room, and the bulletin board in the Club House is in the hallway going to the laundry room.

February looks like another busy month. I hope you will enjoy every minute of your stay as this new month unfolds.

Sandy Griswold, Lot 180
